But at the same time we are willing, & offer them, their endeavours, to bring them selves into a special relation to any particular church.

A confession of faith &c

You believe that there is one only living, & true God, ye Father, Son and Holy Ghost; that God entered into a covenant of works, with man on condition of perfect obedience. That our first Father, by Eating the forbidden fruit, cast himself, and all his posterity, into a state of sin, and misery. But God out of his meer mercy, sent his only begotten Son, who in our nature hath born the curse, and answered ye law for us: that all who believe on him, are justify'd, and will be kept by the power of God through faith unto Salvation. & you believe that the Scriptures of the old, & new Testament are the word of God. you believe that at the last day Jesus Christ, will descend from heaven, and condemn all ungodly men, to Everlasting fire with ye devil, and his Angells; and invite his Saints to ye possession of the kingdom prepared for them, before the foundation of the world.

You do here take hold of the Covenant. the Covenant of the Lord, and desire, & Give up your Self to God the Father, Son and Holy Ghost, and you do promise, & Sylje of your Self, & the Government of Christ in this church, and that you by Gods grace, will walk in brotherly Love, and Seek the peace of this ch: So long as God shall continue you here.

We promise (by God's Grace) & walk towards you in brotherly Love, and & watch over you, for the good of your Soul, and make use of ye ordinances of Christ among us.

The 1st own the Covenant, & assent to the confession of faith as above. and then acknowledge that by it we are bound to God, & have been dedicated to him, & now gratefully acknowledge, and renew & Sylject our Selves & the Government of Christ in his church; and this regular administration of it, in this ch, we like his providence shall continue us here. promising also, & take pains, & obtain yt further preparation of ye Sanctuary, & may enjoy & attend & wait upon God in all his ordinances.

x add: yt below & this in your station.
